

# Cumulative Incidence Calibration: Selected Diseases

## Observed vs Predicted (N=50,000 patients, kappa-calibrated)

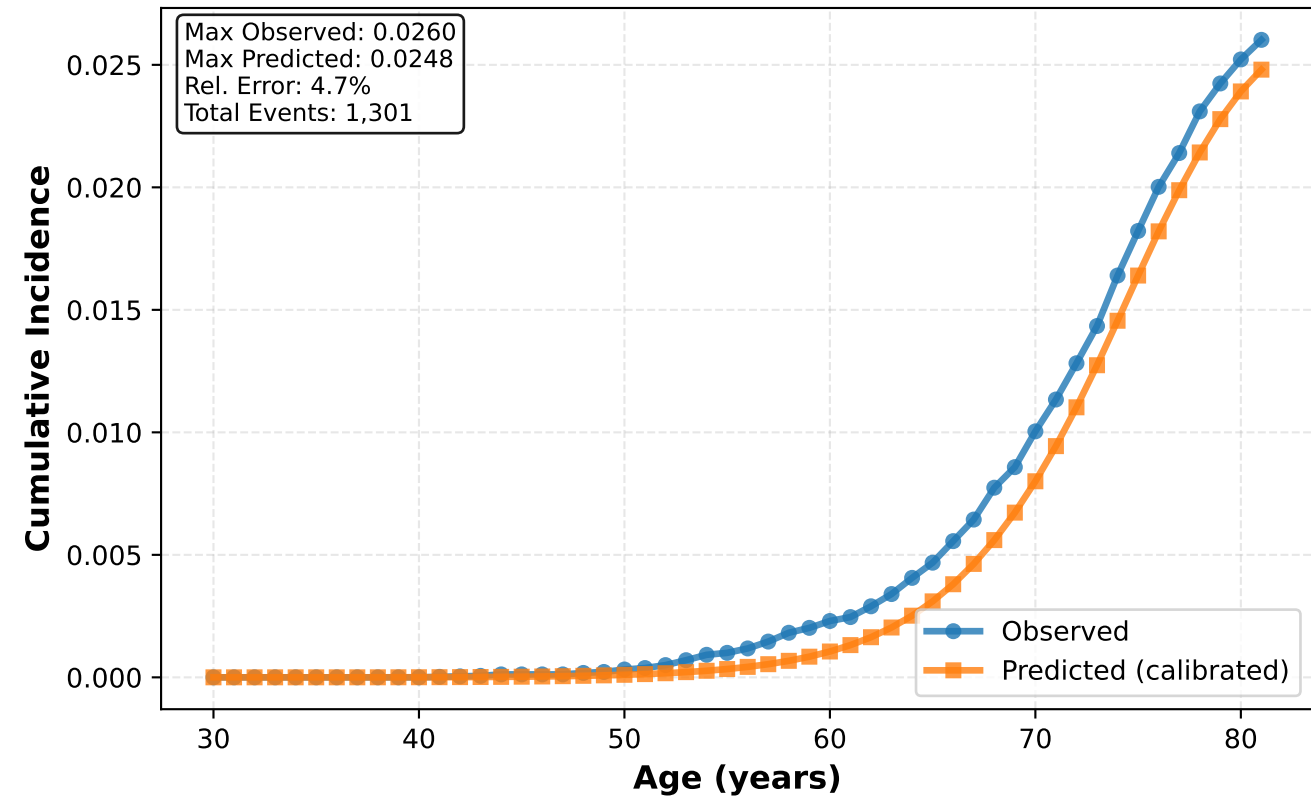

### Rheumatoid arthritis

#### Observed vs Predicted Cumulative Incidence

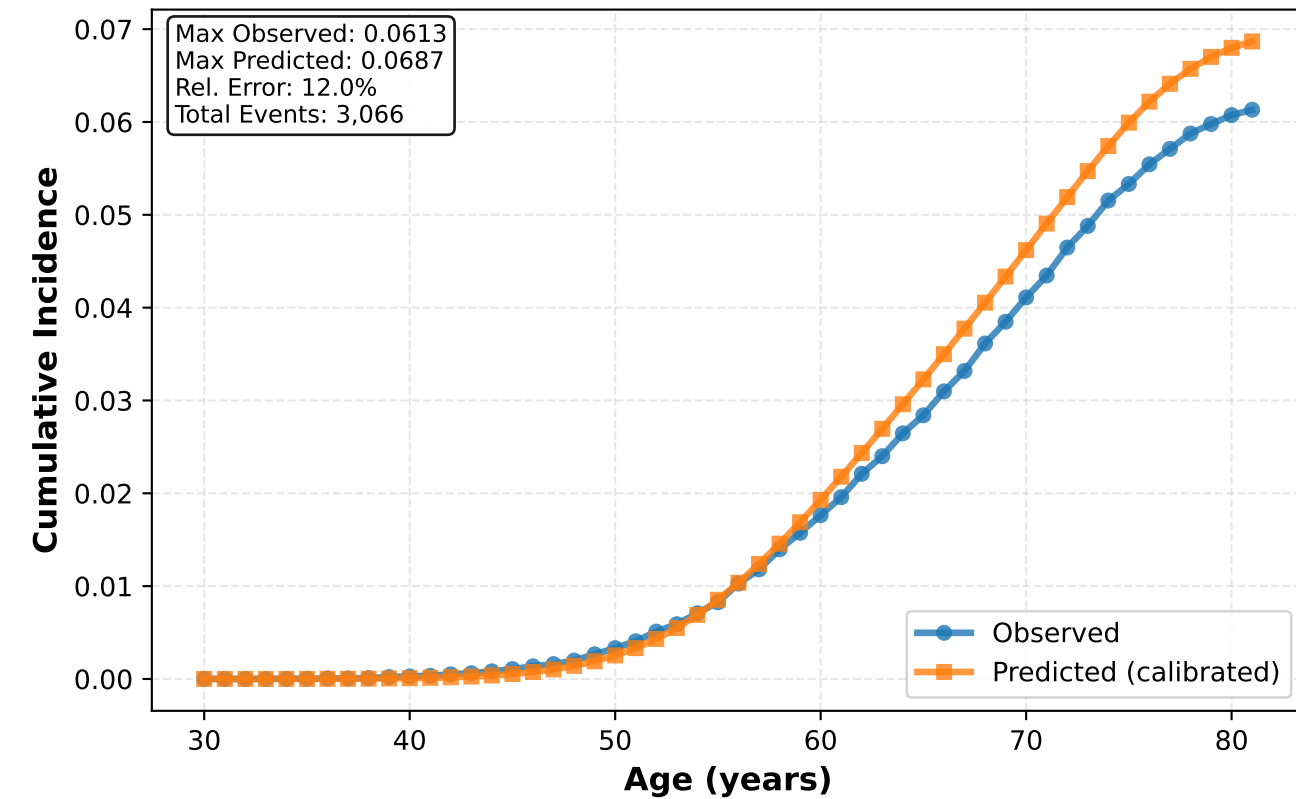

### Macular degeneration (senile) of retina NOS

#### Observed vs Predicted Cumulative Incidence

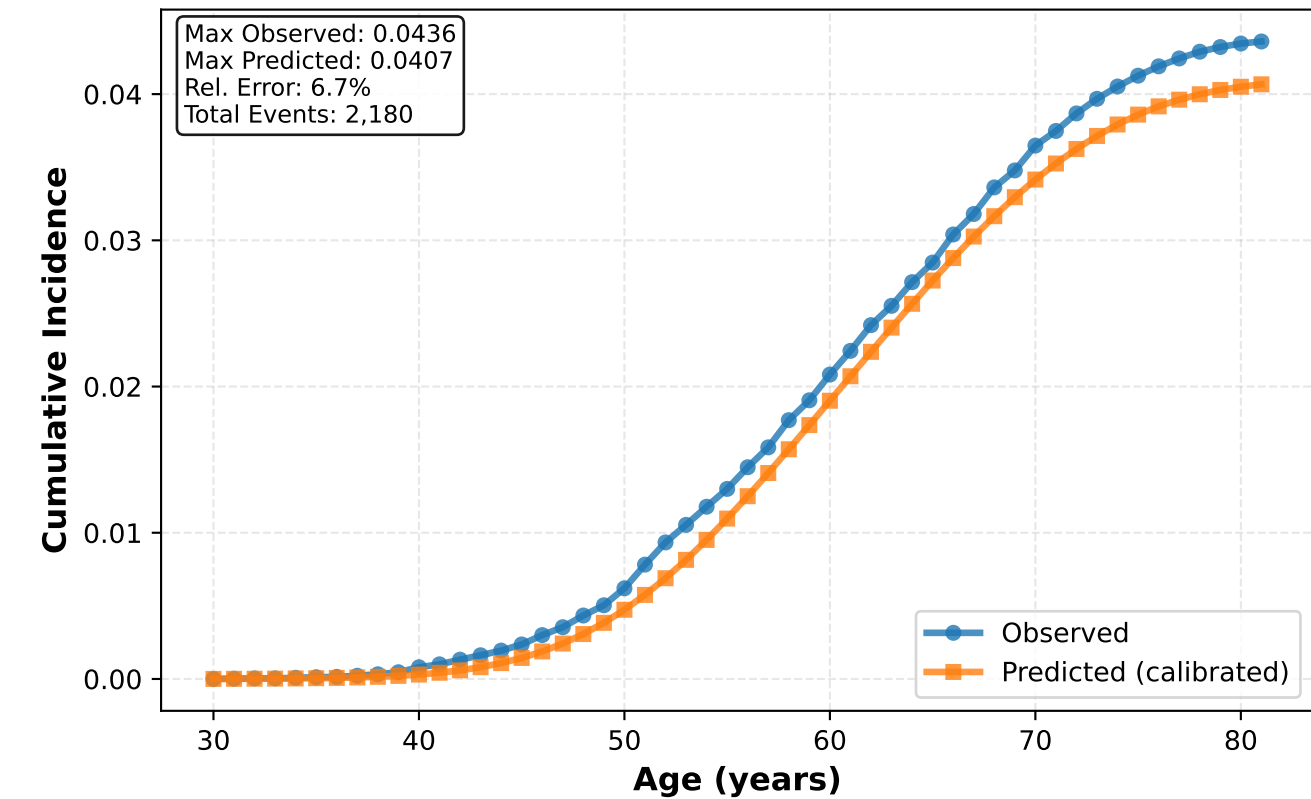

### Myocardial infarction

#### Observed vs Predicted Cumulative Incidence

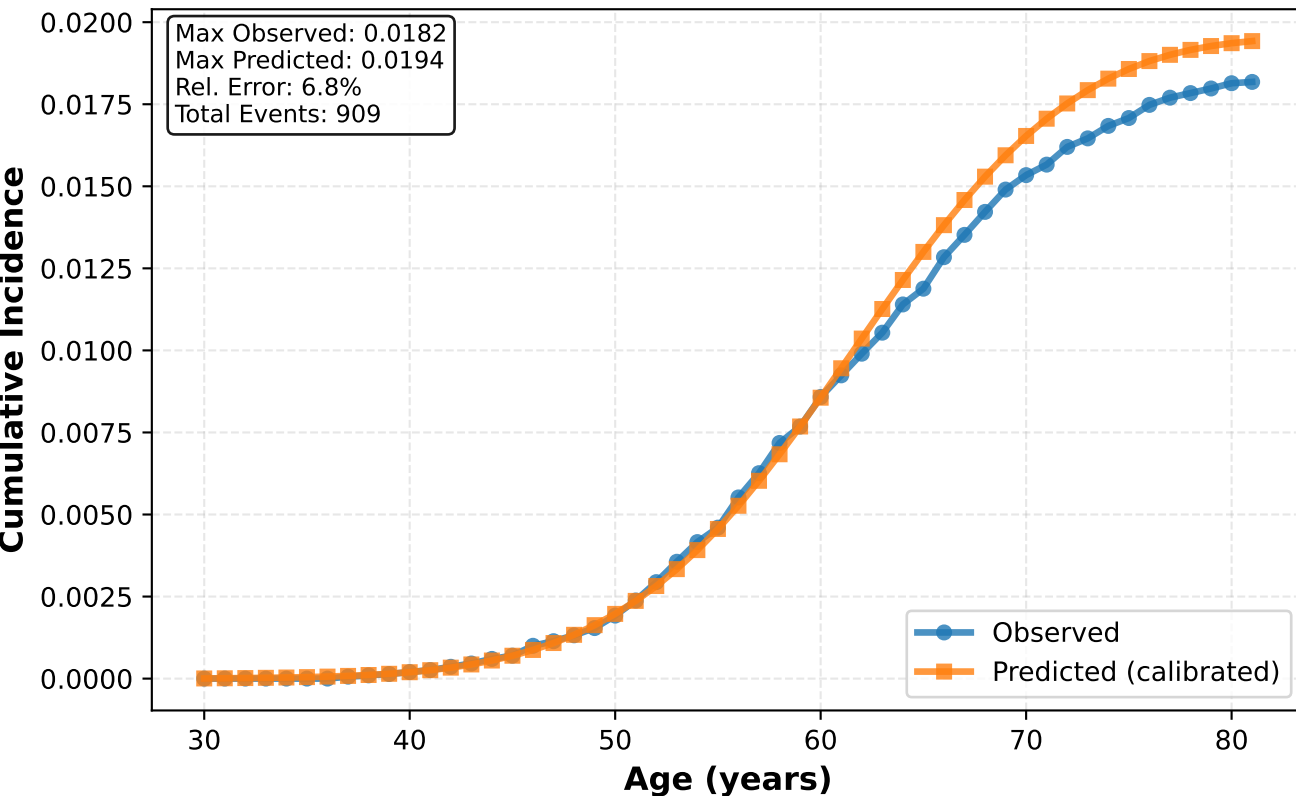

### Malignant neoplasm of female breast

#### Observed vs Predicted Cumulative Incidence

### Ulcer of esophagus

#### Observed vs Predicted Cumulative Incidence

### Asthma

#### Observed vs Predicted Cumulative Incidence
